

Standardized Test Calendar

Reminder: All SAT I, SAT II and ACT registration deadlines are at least *one month* before the actual test dates. Students may register for these tests online or with the testing coordinator. The College Counseling office will work with the testing coordinator to offer a group registration for the SAT's and ACT's in late September and January.

October

- SAT I, recommended to seniors who have taken a summer prep course and who are applying early
- SAT II, recommended to seniors who are ready for each subject test and who have several to take by the end of December
- ACT, recommended to seniors

November

- SAT I, recommended to seniors who take SAT I Preparatory class and most other seniors
- SAT II, recommended to seniors who are ready for each subject test and who have several to take by the end of December

December

- SAT I, optional for seniors
- SAT II, recommended to seniors whose colleges require one or more
- ACT, recommended to seniors who did not take the ACT in October

January

- SAT II, recommended to seniors who still need one for their colleges
- SAT I, optional for juniors

February

- ACT, optional for juniors

March/April

- SAT I, recommended to juniors
- ACT, recommended to juniors

May

- SAT I, optional juniors
- SAT II, optional juniors
