

NEW ENGLAND ASSOCIATION FOR COLLEGE ADMISSION COUNSELING

MEMBERSHIP BENEFITS

What we do:

Develop ethical and social responsibility within the profession through the establishment and maintenance of high professional standards

Support and encourage collaborative relationships and provide professional development opportunities for all

Advocate for policies that impact the profession at the state, regional and national level

Foster development of equal opportunities for, and access to, post-secondary education for all students, utilizing the collective influence and knowledge of the members

The New England Association for College Admission Counseling leads, supports and advances the work of counseling, admission and enrollment professionals by promoting ethical responsibility, professional development, and state, regional and national advocacy as they help all students realize their full educational potential, with particular emphasis on the transition to postsecondary education.
