

Albertus Magnus College Vice President for Enrollment Management

Albertus Magnus College seeks an enthusiastic, experienced, and successful leader to serve as its next Vice President for Enrollment Management. With the arrival of President Dr. Marc M. Camille in June 2017, the College is enjoying a time of extraordinary growth and momentum, from which the Vice President will benefit and to which she/he will contribute. The Vice President will have the opportunity to help shape the strategic direction of Albertus as a whole and to provide important leadership to an emerging enrollment management operation.

Located on a park-like campus in a residential neighborhood of New Haven, Connecticut, Albertus Magnus is a Catholic college in the Dominican tradition. The College is a diverse and dynamic institution serving 1,500 students at the traditional undergraduate, accelerated adult undergraduate, and master's degree program levels. Building on a long tradition of excellence in student-centered, values-based education, Albertus Magnus is proud to provide a personalized and practically oriented liberal arts-based education to its students, for many of whom an education of the same quality might not otherwise be accessible.

The College's next Vice President for Enrollment Management will be an optimistic, energetic, competent, and collegial leader. As a key representative of Albertus Magnus College both on and off campus, the Vice President must be committed to upholding the key principles of the College's mission, which derive from its Catholic identity and Dominican charism. Individuals of all backgrounds and faiths are welcome and encouraged to apply.
